September 7, 2022

Dear Parents, Guardians, and Students,

On Tuesday, September 6, 2022, The Parkway West Career and Technology Center Joint Operating Committee approved a change in Parkway's Daily Schedule. Beginning Monday, September 12, 2022, both sessions will begin dismissing 10 minutes earlier (AM Session at 10:15 and PM Session at 2:10). There is no change to Parkway's starting time (AM Session 7:40 and PM Session at 11:35). The reason for the change is because we have had several school districts requesting students be dismissed early due to the fact that they are not getting back to the home school district in time for their next period class, lunch, and/or extracurricular activities.

With our significant enrollment growth over the last few years, it now takes much longer to empty the campus of buses, student drivers and parents picking up students. It is our hope that by beginning dismissal 10 minutes earlier, students should arrive back to the home school at the expected time.

If you have any questions, please call the school at 412-923-1772.

Sincerely,

Dr. Darby L. Copeland
