GENERAL SCHOOL POLICIES
The Parkway West Career & Technology Center Joint Committee, in an effort to meet the responsibilities delegated to it by its twelve participating districts, and bearing in mind the rights of the students who attend to receive an education which supplements that which is afforded them at their home schools, now affirms the following policies.

The Joint Operating Committee believes that attendance at this school is a privilege that is extended to students by their home school districts, and abuse of this privilege can deny other students their right to quality education. Therefore, it now establishes the following policies, rules, and guidelines for student behavior.

NON-DISCRIMINATION
It is the policy of the Parkway West Career & Technology Center not to discriminate on the basis of race, sex, religion, color, national origin, handicap, or limited English proficiency in its Educational Programs, Activities, or Employment Policy as required by Title IX of the 1972 Educational Amendments, Title VI of the Civil Rights Act of 1964, Section 504 Regulations of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. For information regarding services, activities, programs, and facilities that are accessible to and usable by handicapped persons, or for inquiries regarding compliance with the above Non-Discriminatory Policies, contact Dr. Darby L. Copeland, Executive Director, Parkway West CTC, 7101 Steubenville Pike, Oakdale, PA 15071; telephone (412) 923-1772 or to the Director of the Office of Civil Rights, Department of Health, Education, and Welfare, Washington, D.C.

ELECTRONIC DOCUMENTS AND PARENTAL/GUARDIAN ELECTRONIC SIGNATURE POLICY
Whenever possible, Parkway West CTC will make every effort to be environmentally friendly and lessen its carbon footprint by utilizing documents electronically. In the event a document is electronic and requires a parent/guardian signature, the following policy will take effect:

Parent/Guardian Signature

I affirm that I am the parent/legal guardian of the student identified on this form and that the information on this form is true and correct. I understand that by typing my name below, I am electronically signing this form. Submitting my typed name constitutes a legal signature. Submission of false information is subject to penalties for unsworn falsification to authorities. 18 Pa.C.S 490
ATTENDANCE

ATTENDANCE POLICY
The educational programs at Parkway West Career & Technology are predicated on the students' presence. On-time daily attendance and participation are necessary to ensure that students master essential skills. Parents will be notified of daily absences via the AlertNow Sendit App automated calling system as per numbers provided on the Emergency Card.

EARLY DISMISSAL
No early dismissal will be approved unless a written request, signed by a parent or home school official, is presented to the school office at the start of the morning or afternoon session. This request must include a telephone number where the parent or home school official can be reached to verify the necessity of the early dismissal.

Students are not permitted to leave the building for any reason during school hours unless prior permission has been granted by the main school office. Students should not call parents or friends to arrange to be picked up unless permission has been granted by the main school office.

If any law enforcement or court official requests the dismissal of a student during school hours, the administration will attempt to contact the student’s parents prior to the student’s departure, if possible.

All students who must be released from the career & technology center due to an employment interview must have written permission from their parent(s) or guardian(s). Interviews are scheduled by the Cooperative Education Coordinator.

EMERGENCY SCHOOL CLOSING
In the event of an emergency school closing, announcements will be made over local radio; television stations, and posted on the Parkway West CTC website: www.parkwaywest.org and Parkway App. Students will also be called via the Sendit App as per telephone numbers provided on the Emergency Card.
LEGAL EXCUSES
Students must provide a written excuse signed by a parent or guardian for all absences or early dismissals. Parental excuses permit students to make up missed class work. However, parental absences still count towards the loss of credit for non-attendance. Reasons for excused absences include: illness, death in the immediate family, extreme weather conditions, or personal emergencies that directly affect the student.

If an excuse is not submitted within 3 days of the student's return to school, the absence(s) will be considered unexcused. If a student is ill for an extended period of time (3 days or more for any one medical problem), it is recommended that the student obtain an excuse from the healthcare professional providing the treatment. A healthcare professional’s excuse or court excuse for absence from school will prevent loss of credit for excessive absenteeism.

LOSS OF CREDIT FOR NON-ATTENDERS
When a student exhibits a pattern of excessive absenteeism or when a teacher or any other staff member becomes aware of any unnecessary absence(s), that staff member will discuss the problem with the student at the first opportunity. Staff members will contact the student's parent or guardian to discuss ways to resolve the problem.

When a student has been absent 10 days, a letter will be sent to the parent and home school to notify them of the absenteeism.

When a student has been absent 20 days, a letter will be sent to the parent and home school to notify them of the absenteeism and the loss of one credit. Student will be referred to the Student Services.

When a student has been absent 30 days, a registered letter will be sent to the parent and the home school notifying them that the student has lost a second elective credit and the Certificate of Completion normally awarded at the completion of the program. Parents have the right to schedule a conference with the Assistant Director of Career and Technology Education within 10 days of receipt of the letter to provide third-party documentation of medical or other compelling reasons for the absences. (See Legal Absences)

Further unexcused absenteeism may result in the student being reassigned to the home school.
PERMISSION TO ATTEND ADDITIONAL SESSIONS
Any Parkway West student who wishes to attend any Parkway West CTC class sessions for which they are not scheduled must complete the Permission to Attend Additional Sessions form at least one day prior to the day of the desired additional sessions. Parental, home school administrator and Parkway instructor signatures are all required on the form. Students/parents may be responsible for transportation depending on home school bussing.

TARDINESS
Students who do not report to an assigned career and technology program and/or academic class on time will be marked tardy. Six tardies and every three tardies thereafter will result in disciplinary action and/or appropriate legal action according to the student discipline policy and PA Compulsory School Attendance Laws.

COURSE AND INFORMATION

ACADEMIC COURSES
Principles of Technology, Chemical Properties in Practice, US History I, US History II, Civics, and World Cultures may be offered at the Career & Technology School for students who need credit toward graduation. All PWCTC academic courses are NCAA approved. Only one academic course may be scheduled per year.

Academic classes are provided through on-line services (Zoom and/or Schoology). Students enrolled in academic courses are to complete all assignments given in a virtual setting or attend during the academic schedule.

Principles of Technology
This course is an applied physics course which focuses on both content and application through the use of labs. The materials covered include measurement, Newton’s Three Laws of Motion and their application through 1 and 2 dimensions, force, momentum and inertia, work, energy, and simple machines. This section is explored through both linear and rotational examples and labs. Thermodynamics, heat and states of matter are explored as forces which utilize pressure and have applications in real world careers. Electricity and magnetism are explained as part of the physics of the atom. Pendulums, sound and light are a part of the periodic motion and waves section. Quantum mechanics and relativity are referred to when they apply to the sections being studied. The major focus is placed on content, analysis and the utilization of that content in real world situations with an emphasis on the value of scientific application in problem solving.

Chemical Properties in Practice
This course focuses on chemistry and its applications to today’s issues. Students will first become acquainted with the basic principles of chemistry including matter and its states, the
atomic theory and thermodynamic theory, reactions and solutions, and equilibrium. They will gain an understanding of the relationship between these content and nuclear and organic issues facing today’s technology. Finally, they will use this knowledge to explore many of the ways chemistry is used to balance the needs and wants of humanity with the stresses placed on the physical environment with an eye toward the application of green technology and providing the energy needed for a population becoming more technological each day. The major focus is placed on: content, analysis, interpretation and problem solving of today’s issues.

Civics
This course will provide students with a basic understanding of how the government of the United States works. Students will explain the influences that British political traditions and our experiences in early colonial government played upon the development of our system of government. Students will examine the three branches of the federal government and explain how each branch checks the power of the other. Students will discuss the evolution of the Constitution of the United States, particularly the Bill of Rights and other key amendments as they apply to an ever-changing society. Students will analyze the American political system and the electoral process, with particular emphasis upon nominations, campaigns, and elections for the Presidency.

US History I
This course is the study of the social, political, cultural and economic development of the United States from Pre-Colonial America through the antebellum period. Students will develop an understanding of how our Nation’s past comes to impact current events. Additionally, students will appreciate the development of our democratic principles and recognize the responsibilities of citizenship in a free nation. Students will use varied resources to examine course content. In addition to the text, students will examine historical documents, eye witness accounts, excerpts of period literature and political cartoons. Students will interpret charts, graphs and maps in the context of the course.

US History II
This course continues the study of the social, political, cultural and economic development of the United States from the American Civil War to the present. Students will develop an understanding of how our Nation’s past comes to impact current events. Additionally, students will appreciate the development of our democratic principles and recognize the responsibilities of citizenship in a free nation. Students will use varied resources to examine the course content. In addition to the text, students will examine historical documents, eye witness accounts, excerpts of period literature and political cartoons. Students will interpret charts, graphs and maps in the context of the course.
World Cultures
This course focuses on the diverse ways of life found around the world. Through the study of various regions of the world, the students will better understand the geography, history, and culture of the other peoples. Additionally, the course focuses on how historical events have shaped the world as well as make connections between events from the past and the present. Students are challenged to think outside of own culture and better appreciate the many cultural traditions celebrated around the world. Major areas of focus include: Africa, China, India, Russia, Japan, and Europe.

ARTICULATION AGREEMENTS
Each Parkway West program has an articulation agreement in place with post-secondary institutions such as California University, Community College of Allegheny County, Pittsburgh Technical College, Robert Morris University, and others that permit students to receive college credit for work completed at the career & technology center.

Information regarding articulation credit for a particular program is available from Student Support personnel or program handbooks.

MAKE-UP WORK
Students are responsible for all work missed due to absence, whether the absence is due to illness, suspension, or other reason. It is the student's responsibility to obtain information from the teacher regarding assignments or tests missed.

The teacher will set a due date that allows a reasonable length of time for the student to make up missed work. Failure to complete make-up work by the due date will result in a zero for the assignment.

Students whose absences are determined to be unexcused will not be permitted to make up missed assignments and will receive a zero for any assignments or tests missed due to unexcused absences.

TEXTBOOKS
Textbooks may be provided to students at the beginning of the school year. Students are responsible to take proper care of all textbooks and workbooks, and will be held responsible for any damage or loss. Students are responsible for turning in the textbook which was assigned to them at the beginning of the year.

Students who wish to purchase textbooks must do so through their teacher, who will process their request through the appropriate administrator.
TOOLS, UNIFORMS AND OTHER REQUIRED SUPPLIES

Students are required to purchase supplies needed to participate in career & technology programs such as school-approved locks, uniforms, tools, etc. A list of these items is provided to students and parents at the beginning of the school year.

Some required supply items such as school-approved locks and safety glasses may be purchased from the school during the first two weeks of classes. Uniforms, tools, locks, and other supply items remain the property of students, and students are responsible for using reasonable care to secure and protect these items from theft or loss. In the event that uniforms, tools, locks, or other supply items are lost, stolen, damaged, or used up, students are required to replace them promptly.

Safe2Say Something
Safe2Say Something is a youth violence prevention program run by the Pennsylvania Office of the Attorney General. The program teaches youth and adults how to recognize warning signs and signals, especially within social media, from individuals who may be a threat to themselves or others and to “say something” BEFORE it is too late. With Safe2Say Something, it’s easy and confidential to report safety concerns to help prevent violence and tragedies (1-844-SAF2SAY or use the Safe2Say App).

Here’s how it works:

- Submit an anonymous tip report through the Safe2Say Something system
- Crisis center reviews, assesses, and processes all submissions
- Crisis center sends all submissions to school administration and/or law enforcement for intervention.
- If needed, crisis center may contact tipster anonymously through the app.
DISCIPLINE

BULLYING

Bullying in a School Setting
For the purposes of this policy, bullying shall mean an intentional electronic, written, verbal or physical act, or series of acts directed at another student or students which occurs in a school setting that is severe, persistent or pervasive and has the effect of doing any of the following:

1) Substantially interferes with a student’s education
2) Creates a threatening environment
3) Substantially disrupts the order operation of the school

For the purposes of this policy, “school setting” shall mean in the school, on school grounds, in school vehicles, at a designated bus stop, or at any activity sponsored, supervised, or sanctioned by the school.

Bullying not in a school setting
All forms of bullying are prohibited by this policy, including cyber bullying (occurs on the Internet) or other acts that occur outside a school setting if those acts are directed at another student or students, are severe, persistent, or pervasive and have the effect of doing any of the following:

1) Substantially interferes with a student’s education
2) Creates a threatening environment
3) Substantially disrupts the orderly operation of the school

Consequences for Violations
A student who violates this policy shall be subject to disciplinary action.

Staff Responsibility
All staff members who observe or receive reports of acts of bullying will intervene immediately to stop such conduct. All incidents and complaints of bullying will be reported to the Supervisor who shall have the responsibility to promptly investigate the situation and recommend and/or take action as needed.

*** Please Note: The intent of this reporting system is to document all incidents of bullying behavior. Incidents which involve law enforcement, although they may fall under the definitions provided, should not be considered the only reportable incidents of bullying behavior.
CODE OF CONDUCT
In order for effective teaching and learning to take place, a school must provide a safe, orderly environment for all students and staff. Schools cannot function when students are out of control, or when hostility and violence intrude on the educational mission of the school.

Individuals who lack basic social skills will not be successful in the workplace regardless of their level of proficiency in their technical field.

To create and maintain a safe and orderly learning environment, and to promote the acquisition of basic social skills, certain rules of conduct for all students and staff are essential. The rules of conduct include:

- getting along with one another
- controlling impulses and aggression
- taking responsibility for one's actions
- treating each other with respect and dignity
- following established procedures for dealing with conflict or harassment
- reporting threats, intimidation, or acts of violence to the appropriate school authority

CORPORAL PUNISHMENT
Corporal (physical) punishment may not be administered by any staff member to discipline students. However, reasonable force may be used by school employees to:

- quell a disturbance
- obtain possession of a weapon or other dangerous object
- provide self-defense
- protect the property of other persons

ETHNIC INTIMIDATION
The Joint Committee recognizes its responsibility to establish and maintain an educational and working environment that is free from ethnic intimidation, racial bias, and/or gang-related activity, influence, or harassment.

Any person found to be engaged in acts of ethnic intimidation is in violation of Title 18 (crimes and offenses) of the Pennsylvania Consolidated Statutes as amended. As per Title 18, Section 2710, ethnic intimidation is defined as "A person commits the offense of ethnic intimidation if, with malicious intention towards the race, color, religion, or national origin of another individual, or groups of individuals, he/she commits an offense under this act."

It is the responsibility of the school staff to ensure equal treatment for all. The constitutions of our Nation and Commonwealth, as well as pertinent legislation enacted at the state and federal levels of government, and court interpretations regarding citizen's rights, support this
statement. Persons who initiate, advocate, or promote activities, openly or otherwise, which threaten the safety or well-being of persons or property and which disrupt the school environment, or are harmful to the educational process, will be dealt with as an offense of the most serious category. The use of written or oral statements, non-verbal signals or communications, or the presence of any apparel, jewelry, accessory or manner of grooming which, by virtue of its color, arrangement, trademark, symbol or any other attribute which indicates or implies membership or affiliation with a gang or group, whether real or implied, and which presents a clear and present danger to the school environment, its staff and students, and the educational objectives of the community and Commonwealth, is strictly prohibited.

Any student found to be engaging in acts of ethnic intimidation will be immediately charged with a level III violation of the School Discipline Policy which necessitates an informal hearing before the Assistant Director/Supervisor leading to a suspension of up to ten days. The Assistant Director/Supervisor may reassign the student after a ten day suspension. The discipline shall be pursuant to the Pennsylvania School Code, applicable rules and regulations of the State Board of Education, and the Board approved School Discipline Policy.

**FREEDOM OF EXPRESSION**

Students have the right to express themselves in any responsible manner unless such expression directly interferes with the educational process, threatens immediate harm to the welfare of the school or community, encourages unlawful activity, or interferes with another individual's rights. Students may use publications, handbills, announcements, assemblies, group meetings, buttons, armbands, or any other means of common communication, provided that the use of such communication is in accordance with the regulations of the administration.

Students have the responsibility to obey laws governing libel and obscenity, and to be aware of the full meaning of their expression. Students have the responsibility to be aware of the feelings and opinions of others, and to give others a fair opportunity to express their views.

**Bulletin Boards**

The administration may restrict the use of certain bulletin boards to school announcements. Bulletin board space will be provided for the use of students and student organizations. The following are general limitations applied to posting:

- The administration will prohibit material that is obscene or libelous, which inflames or incites students, or creates a clear and present danger to the orderly operation of the school.
- The administration may require identification of the student(s) or group(s).
- The administration may require that notices or other communications be officially dated, and that such material be removed after a prescribed reasonable time.
Buttons and Badges
The wearing of buttons, badges, or armbands bearing slogans may be permitted as another form of expression, unless the message thereof falls within the restrictions of this document. No school employee will attempt to interfere with this form of expression on the grounds that the message may be unpopular with others.

Distribution of Literature, Leaflets, and Newspapers
The administration will prohibit the distribution or dissemination of student-originated material on school grounds when it would materially and substantially interrupt the educational process or intrude upon the rights of others.

School Newspapers and Publications
Students must refrain from libel and obscenity, and observe the rules for responsible journalism. Within these bounds, students have a right and are as free as editors of other newspapers to report and edit the news.

The administration may impose reasonable restrictions on the speech of students, teachers, and other members of the school community in the school newspaper and online publications.

INCIDENTS NOT COVERED BY GUIDELINES
It is important to realize that when dealing with student disciplinary infractions administration cannot possibly foresee every type of incident that may occur. The list of infractions and aggravating and mitigating circumstances should not be regarded as exhaustive. If a situation which is not listed should occur, school officials will use their best judgment in placing the infraction on a specific level and administer the appropriate consequences.

SATURDAY DETENTION
Students who demonstrate unacceptable behaviors may be assigned Saturday Detention.
Students assigned to Saturday Detention shall report to the main entrance of Parkway West CTC on the assigned dates between 8:15 AM and 8:30 AM and will be dismissed at 11:30 AM.

Students reporting later than 8:30 AM (the clock in the school’s main office will serve as the official time), will not be allowed entrance to the building and will not be given credit for attending detention.

Students are responsible for bringing school work, reading materials, and school supplies sufficient to keep them busy for three hours. Students must bring all work with them. They are not permitted to visit their classroom or locker. Students who fail to bring sufficient work will be dismissed, their parents will be called, and they will be reassigned to the next scheduled Saturday Detention. Students are responsible for their own transportation to and from Saturday Detention. Failure to attend or to meet Saturday Detention requirements, may result in external
suspension and/or reassignment to Saturday Detention. In the event of inclement weather, students should check the school’s website (www.parkwaywest.org) for cancellations and/or delays.

Upon arrival at Saturday Detention, students will sit in assigned seats as directed by the detention monitor. Eating, drinking, sleeping, use of electronic devices and talking are not permitted. Students will be given one ten-minute break at 10:00 to utilize the restroom and water fountain. Students will not be excused from the detention room except for the most extreme emergencies.

Students who violate the rules and regulations or become unruly will be removed from the detention room and their parent or guardian will be contacted to pick them up. If the detention monitor is unable to contact the student’s parent or guardian, the student may be removed by local law enforcement.

SEXUAL HARASSMENT
Sexual harassment is defined by school policy as unsolicited or unwanted sexual advances, verbal requests, or physical conduct of a sexual nature that interferes with a student's educational experience or creates an intimidating, hostile, or offensive educational environment. Students who are found in violation of this definition will face consequences.

STUDENT DISCIPLINE
All professional and nonprofessional employees have the authority to correct a student at any time if the action of the student will in any way have a detrimental effect on the operation of the school, other students, or staff members. All staff members have the responsibility for supervising students in the buildings and on the school's grounds. Should a serious problem arise, it should be referred directly to the administration.

SUSPENSIONS
Students who demonstrate unacceptable behavior deprive others of their right to a safe, orderly environment. As a consequence for unacceptable behavior, students may be assigned Saturday detention or out-of-school suspension.

Parkway West Career & Technology Center administrators or administrative designees are responsible for determining where a particular infraction fits in the school’s disciplinary policy based on the circumstances, severity, and decisions made in previous situations.

Students will be suspended for disciplinary infractions according to the guidelines. Students may be assigned to Saturday detention or out of school suspension at the discretion of the administration.

Students who are suspended out of school are not permitted on school property without the express permission of the administrator or his/her designee issuing the suspension. Parkway
West CTC and its home school districts reciprocate on out of school suspensions. Students who are suspended out of school from their home school are not permitted to attend Parkway West CTC. Students suspended out of school at Parkway West CTC are not permitted to attend their home school. Violators may be charged with defiant trespass.

Act 26 of 1995 requires schools to report certain disciplinary infractions to the Pennsylvania Department of Education. These include the possession, use, sale and transfer of controlled substances such as alcohol, tobacco and illegal drugs; fighting; assaults on students or school staff; racial/ethnic intimidation; any type of harassment including sexual; and other serious infractions that are listed in the Department of Education’s *Definitions of Types of Misconduct*.

The Department of Education’s Definitions of Types of Misconduct can be found at: [http://www.safeschools.state.pa.us/docs/Definitions-PDE-360_Bec.pdf](http://www.safeschools.state.pa.us/docs/Definitions-PDE-360_Bec.pdf). Copies are also available in the school office upon request.

**TOBACCO CONTROL ACT**

In accordance with the Pennsylvania School Tobacco Control Acts (Act 168 of 1988 and Act 145 of 1997) possession or use of tobacco products by secondary students is prohibited in school buildings, in school busses, on school grounds, and at school sponsored activities.

Possession of tobacco and/or nicotine use products shall include having on one's person or personal property smoking or smokeless tobacco in any form. Tobacco and/or nicotine use shall be defined as use and/or possession of lighted or unlighted cigarettes, lighted and un-lighted cigars, e-cigarettes (electronic), vapor cigarettes, mechanical cigarettes, and pipes; other lighted smoking products; and smokeless tobacco in any form. School grounds are defined as property owned by, leased by, or under the control of the school board including sidewalks, roadways, parking lots, courtyards, school buildings, and other campus areas not located in school buildings or school sponsored events.

Students who violate the school's non-smoking policy will have all tobacco products, matches, lighters, or other related materials confiscated and may be subject to fines, court costs, and/or the consequences listed in the discipline code.
CHEATING AND LYING

Students are expected to complete all assignments and tests on their own, unless specifically directed otherwise by their teacher. While Parkway West CTC encourages group projects and cooperative learning whenever appropriate, individual achievement can only be assessed through the administration of tests, quizzes, and other assignments to the individual student. Students found to be cheating or otherwise falsifying grades will be given a zero grade for the test, quiz, or assignment involved.

Students are expected to respond truthfully when questioned by a staff member. Lying or giving false information will result in disciplinary action.

CONTINUOUS PROGRESS

Students enrolled in Parkway West CTC programs are expected to demonstrate a sincere interest in learning and show continuous progress in their career and technology program and academic studies. In order to meet the requirements for satisfactory academic progress, students must maintain passing grades and proceed through the course at a pace leading to completion within the specified length of the program.

FINAL FAILING GRADE

Any student who receives a final "F" grade in a non-final year will receive no credit and may be scheduled for a full day of classes at his/her home school or transferred to another program at Parkway West CTC. Students failing at the end of a marking period will be referred to student support services. Students who receive a failing grade in any program may not return to the same program for the following school year.

FLEXIBLE INSTRUCTIONAL DAYS

During a school closure, students are expected to work on assignments from home as assigned and presented via the Schoology LMS or by utilizing the hard copies that were provided by the instructor. If a student does not have Internet access or equipment to log on, the student should communicate this to his/her instructor and will be given hard copies of the assignment. Students can then turn the hard copies into his/her instructor for full credit. It will be the responsibility of the student to login to the Schoology LMS during the school day. The student will then open the folder labeled “Flex” which will be on their instructor’s class page and complete the required assignment for that day.
GRADE CALCULATIONS
The following method is used to calculate quarterly, semester, and final grades:

First, Second, Third and Fourth Quarter Grades  The weighted average of all scores or grades in that 9 week grading period.
First Semester Grade  The percentage scores from the first and second quarters are averaged to determine the first semester grade.
Second Semester Grade  The percentage scores from the third and fourth quarters are averaged to determine the second semester grade.
Final Grade  The percentage scores from all four quarterly grades are averaged to determine the final grade.

GRADING POLICIES
Grades are issued every nine weeks. Teachers are responsible for determining the relative value or weight assigned to test and quiz scores, performance-based evaluations, daily grades, class participation, projects, homework, and other valid measures of student performance in each quarter.

GRADING SCALE
The following grading scale is used to determine letter grades:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Percentage Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90 - 100</td>
</tr>
<tr>
<td>B</td>
<td>80 - 89</td>
</tr>
<tr>

<td>70 - 79</td>
</tr>
<tr>
<td>D</td>
<td>60 - 69</td>
</tr>
<tr>
<td>F</td>
<td>Below 59</td>
</tr>
</tbody>
</table>

If a final failing grade is earned in the student’s senior year, he or she will not be permitted to attend Senior Recognition nor will they receive a Certificate of Completion.

INCOMPLETE GRADES
An Incomplete or "I" grade may be issued when a student fails to complete a substantial portion of the course requirements for a nine week grading period. Most frequently, an "I" grade is used to avoid a failing grade for students who have been absent due to serious, ongoing medical problems which are being treated by a healthcare provider.
A student receiving an incomplete grade will be given a reasonable period of time, as determined by the teacher, to complete the required work. If the student fails to complete the required work within the specified time period, the incomplete grade will be changed to an "F." Other than extreme circumstances, no student will be given more than one grading period to make up uncompleted work.

METHODS OF INSTRUCTION
Parkway West Career & Technology Center programs are based on Programs of Study (POS). Teachers may utilize a variety of instructional methods to assist students to meet the course requirements, including Schoology, Zoom, projects, lectures, demonstrations, portfolio development, written assignments, homework, videos, guest speakers, and live work projects.

PARENT PORTAL
The Parent Portal is a service which will enable parents/guardians to view their child’s attendance, grades, discipline and class schedule on-line. Instructions to create this account can be found on Parkway’s website www.parkwaywest.org under the “Parents Tab.”

PARENTAL CONFERENCES
Parent conferences with Parkway West CTC teachers and administration are welcomed. Meetings may be arranged by telephoning the school office. Reasonable advance notice is recommended to ensure the availability of the staff member(s).

STUDENT DEBT
Grade reports and the Certificate of Completion will be withheld if a debt is owed to the school.

PROCEDURES, POLICIES, REGULATIONS

BUS TRANSPORTATION
The sending school districts provide bus transportation for their secondary students.

While en route to and from Parkway West CTC, students are to obey all regulations concerning conduct on school busses. Behavior that reflects negatively on the school or creates a safety hazard will not be tolerated. Discipline problems which occur on busses en route to or from Parkway West CTC will be referred to the home school district. Upon arrival at Parkway West School, students are to enter the building and report to their respective career and technology program immediately.

Busses depart from the front of the main building, outside of Veterinary Technology, and Culinary Arts, approximately three minutes after the morning and afternoon dismissal bell. Students are to go directly to the bus and board it immediately when the dismissal bell rings.
All students are required to arrive and leave campus via bus or car. Students may not walk on or off campus without prior approval of the parent and this school’s administration.

CONFIDENTIAL INFORMATION
Confidential information acquired from students by a staff member while in the course of his/her professional duties will be considered privileged information to the extent that it will not be divulged in any proceeding without the consent of the student (if over 18 years of age), or without the consent of the student’s parents or guardian (if student is under 18 years of age). Information will be revealed when there is evidence of child abuse, neglect, injury, a life-threatening situation, or a legal obligation to report such information.

DRESS AND APPEARANCE
Students' clothing and appearance must meet safety and professional standards. It is the responsibility of students to conform to the dress code of their training program. Students may not wear fish net, bare midriff, halter-tops, ski masks, open-toed shoes, or torn and/or loose fitting clothing in any program. Students may not carry wallets with attached chains, spiked jewelry or accessories. Pant legs rolled up, writing with pen or magic marker on uniforms, or dirty or torn uniforms are not acceptable. Clothing imprinted with vulgar or suggestive designs/drawings, obscene or profane language is not permitted.

Parents will be called to bring appropriate clothing for students who do not comply with the dress code of their training program. Violations of these policies on dress and appearance may result in disciplinary action.

DRIVING AND RIDING
Parkway West CTC permits students who meet certain conditions to drive or ride to school in personal vehicles as a privilege, and assumes no responsibility for damage or theft of any vehicle or personal property on school grounds. Students are not permitted to drive ATV’s or other motorized vehicles not registered and legal. Students who elect to drive or ride to school do so entirely at their own risk.

Students who violate any of the policies listed below will be subject to the actions listed in the Student Discipline Policy and will lose their driving/riding privileges, ticketing from local law enforcement, and/or towing.

Students are not permitted to go to their cars or leave school grounds without permission from the main school office during school hours. Upon arrival at the school, students are to park in their assigned number space and then immediately report to their assigned class.

If a student must drive due to an emergency, a parent must call the school prior to the student's arrival, and the student must report to the Supervisor’s office to receive temporary permission.
Temporary permission to drive or ride will only be given in an emergency. There is a limit of two temporary passes given in a school year.

Adult students are not permitted to transport high school students to or from Parkway West CTC.

**Driving/Riding Permits**
Licensed student drivers who wish to drive a personal vehicle to school must submit a Driving/Riding Permit Request form stating:

- Drivers are not permitted to exit until all school busses depart.
Failure to comply with the above conditions may result in the revocation of the parking or riding permit and/or forfeiture of the entire permit fee.

**EMERGENCY CARD INFO**
Students are required to submit an emergency card, properly completed and signed by a parent, to their teacher the first week of school each year. Students who fail to submit a completed emergency card may be restricted from utilizing equipment in shop areas including computers and computer network. Students must report any demographic changes to the school office immediately.

**GRIEVANCE PROCEDURE**
The administration, student support staff, and faculty are available to students to discuss problems and complaints. A grievance may be initiated if a student has a serious complaint regarding the implementation and enforcement of policies and procedures of the Parkway West CTC or staff.

1. The first step in the grievance procedure is to discuss the problem with the person involved.
2. If the problem cannot be resolved at the first step, the student should then discuss the issue with the Guidance Counselor, Special Populations Coordinator, or Supervisor.
3. If the matter is still unresolved, the student should present the grievance in writing to the Assistant Director/Supervisor within ten (10) school days of the occurrence. The Assistant Director/Supervisor will confer with the parties involved and will reply in writing to the student within five (5) school days.
4. If the student is not satisfied with the decision of the Assistant Director/Supervisor, the student should present the grievance in writing to the Director of Parkway West CTC within ten (10) school days of the Assistant Director/Supervisor's response. The Director will reply in writing to the student within five (5) school days.
5. The final step in resolving a grievance, if unresolved at any of the preceding steps, is to submit the grievance in writing to the Superintendent of Record within ten (10) days of the Director's response.

**HALL PASSES**
Students are not permitted to leave their assigned area for any reason without a hall pass. A special pass is to be used when students have to use the restroom during class time. Passes to other areas require a written hall pass by the teacher. Students must also sign the class sign in/sign out sheet upon entering or leaving the shop for any reason during instructional time.

Teachers have the authority to exercise discretion in granting hall passes to students in order to reduce loss of instructional time and unnecessary hall traffic. Students with medical problems that require frequent use of the rest rooms must provide a healthcare professional’s excuse stating the accommodations needed by the student.
MEDICATION
Students who are required by a physician to take essential medications during school hours must obtain a medication administration form from the school office and have it completed by their healthcare professional and parent giving permission to the school to administer the medication. A medication is essential only if the student could not attend school without taking it. All medication is dispensed from the main office.

No student is permitted to dispense prescribed or over-the-counter medicines to another student. Violation of any of the above policies may result in the student being found to be involved in drug, alcohol, or drug paraphernalia use or possession, and subject to disciplinary action.

RESTROOMS
Students going to or from the restroom must carry a rest room hall pass and sign in and out of the classroom or shop on the form provided for that purpose. Students are not permitted to use the restrooms during class changes or while in route to another part of the building on a Hall Pass.

Loitering in restrooms is prohibited. Only one student at a time is permitted in a stall. Students found damaging restroom facilities will be disciplined and held responsible for damages.

Other restrictions on access to restrooms may be implemented by the administration if deemed necessary.

VISITORS
Students who wish to learn more about the programs offered at Parkway West Career & Technology Center in order to make an informed decision as to whether to enroll in a career & technology program should contact their home school guidance counselor.

The home school guidance counselor will contact Parkway West School’s student support center to arrange a "shadowing" experience with another student, possibly from the same home school. Student visits for other purposes are not permitted. Visitors are governed by Parkway West CTC's rules and regulations.

All adult visitors must state the purpose of their visit and the person whom they are meeting when they sign in at the school office, and must wear the identification tag provided during their entire time in the school. Salespeople and community members should make appointments to meet with teachers or staff during non-instructional time.

[23]
WORK ORDER REQUESTS
Students who wish to have work or services performed on personal property or vehicle must first receive permission from their career and technology program instructor and, if applicable, their academic instructor. Students who have poor attendance, discipline issues, or below a “C” average grade in their academic and career or technology program will not be granted approval by the administration.

The student must obtain authorization from the Assistant Director/Principal before bringing the item to school. The owner of the item to be repaired must sign the Work Order Request form, thereby granting the school release of all liability for loss, damage, or personal injury.

All costs for parts, supplies, and shipping, will be assessed a 12% service charge (includes parts purchased by owner). Costs must be paid in full in the Business Office before the item will be released.

SAFETY

EVACUATION DRILLS
When the evacuation alarm is sounded, it is imperative that all persons leave the school in a swift, orderly fashion. Students who are out of their class in another part of the building should leave by the nearest exit and report to the nearest teacher.

No student is to re-enter the school until the "all clear" signal has been sounded. Teachers will explain the exit route for their classroom or shop. A diagram of the exit route is posted in each shop and classroom.

EYE PROTECTION
Section 1 of Act 116 of 1965 defines the requirements for eye protection as follows:

Every teacher, student, visitor, spectator, and every other person in any shop or laboratory in public or private schools, colleges and universities who is engaged in or is within the area of known danger created by:

1. The use of hot liquids, solids or gases, or caustic or explosive materials.
2. The milling, sawing, turning, shaping, cutting, grinding or stamping of solid materials.
3. The tempering, heat treatment of kiln firing of metals and other materials.
4. Gas or electric welding.
5. The repairing or servicing of vehicles.
Students must wear industrial quality eye protective devices at all times while engaged in such activities or exposed to such known dangers.

Teachers may also require eye protection to be worn by any person in the shop in any other situation they deem necessary.

School approved safety glasses are required. Sunglasses are not permitted to be used as safety glasses in any shop. Students who must wear prescription glasses must have glasses with clear safety lenses.

**INJURY OR ILLNESS**

Any accident or illness must be immediately reported to the teacher. The teacher will refer the student to the first aid room where an authorized person will evaluate the extent of the injury or illness. The student's parent or emergency contact person will be contacted if it is deemed necessary to transport a student to a healthcare professional or hospital. The school is not responsible for charges related to transportation and/or treatment of injured or ill students.

Under no circumstances may a student leave the building, whether for home, hospital, doctor's office or other destination, without authorization from the school office.

**SAFETY POLICY**

Students are not permitted to operate any machinery or equipment until they have successfully passed the related safety tests and have submitted a completed emergency card. Students must adhere to the program safety rules and regulations at all times.

**STUDENT’S PERSONAL PROPERTY/VALUABLES**

The Career & Technology Center will not be responsible for the personal property of students. **Articles of clothing, jewelry, money, electronic devices, or other personal property are the responsibility of the student.**

The Career & Technology Center will provide reasonable safeguards for the protection and safe keeping of personal property that must be brought on the premises. Students have an obligation to report lost or found articles to the main school office. Items that are unclaimed at the end of the school year will be discarded.

Students should not bring valuable items or large amounts of cash to school or store such items in their lockers, as their safety cannot be guaranteed. Students who choose to bring such items do so at their own risk.
SECURITY

DOG/DRUG SEARCHES
If a drug sniffer dog reacts to the purported presence of an illegal substance, such reaction shall constitute reasonable individualized suspicion so as to permit a search of the individual’s locker or vehicle. Drug sniffing dogs will not be used to search a student’s individual person.

LOCKER REGULATIONS
Students are assigned to a locker by their teacher. The locker remains the property of the school and is subject to periodic inspections by the teacher or Administrator. Students are to use the locker which is assigned to them and are not permitted to switch a locker without instructor permission. A locker may be opened and searched by the administration if they have reasonable suspicion that a weapon, illegal substance, or any other item, which presents a clear and present danger to the school or students, may be found or an item(s) are missing from a classroom or shop area. If a student is alternately placed, withdraws, or graduates, items left in the lockers will be kept for 30 days and then disposed of.

The school administration requires that each locker be secured with a lock to prevent loss of personal items. Only approved locks, purchased from the school, may be used.

LOCKER SEARCHES
Student lockers are school property and remain at all times under the control of the school; however, students are expected to assume full responsibility for the security of their lockers.

Periodic locker inspections may be conducted by the administration with or without prior warning at any time during the school year. The search of a particular locker will only be made upon reasonable suspicion that the student has illegal materials or when there has been a violation of a school rule or regulation.

PERSONAL SEARCHES
A student's person or personal property (purse, book bag, jacket, trousers) will be searched whenever the administration has reasonable suspicion to believe that he/she is in possession of illegal or unauthorized materials.

An Administrator or his/her designee and a staff member of the same sex will conduct a pat down search of a student in private. No strip searches will be conducted.
SEARCHES
The administration may search a student, student's lockers, or student's vehicle and seize any illegal materials found. Such materials may be used as evidence against the student in disciplinary proceedings. Prior to a vehicle search, the student will be notified and given an opportunity to be present. However, when the administration and faculty have a reasonable suspicion that a locker or vehicle contains materials that create a threat to the health, welfare, and/or safety of other students or staff at the Career & Technology Center, a search may be conducted without prior notice. An Administrator or his/her designee will conduct all searches with a staff member present as a witness.

SECURITY
To provide a safe environment for all students and staff, certain public areas in the school and on the school grounds may be monitored using video surveillance cameras.

To prevent unauthorized persons from entering the buildings, certain entrances will be designated for all students to enter and leave the building.

The school employs security personnel to assist the administration in maintaining a safe environment for all students.

VEHICLE SEARCHES
Students are granted a permit to park on school grounds as a matter of privilege, not of right. The school retains the authority to conduct routine checks of student vehicles. Interior inspections will be conducted when the administration has a reasonable suspicion that there are illegal or unauthorized materials contained inside the vehicle, or a school rule has been violated.

STUDENT SERVICES

ADMISSION AND SELECTION
Students are admitted to career & technology programs at Parkway West Career and Technology Center (CTC) based on their interest in, ability to benefit from, and preparedness for a particular career & technology program. Secondary students who are interested in attending Parkway West CTC can obtain information on the programs and an application from their home school counselor or the Student Support personnel at Parkway West CTC.

Further information on programs and application forms are from the Assistant Director.

**FERPA**
The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of students’ educational records. It defines the rights of parents, eligible students, and other entities to inspect educational records, and establishes guidelines for schools to follow when they receive requests to release student records.

Under FERPA, schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance, unless parents notify the school that they want this information to be kept confidential. Parents of all Parkway West CTC students are provided an opportunity to notify the School that they do not want this information released at the beginning of each school year.

**INSURANCE**
It is strongly recommended that every student purchase Student Insurance at the home school. Although Parkway West CTC has an excellent safety record, there is the potential for accidents due to the industrial nature of the equipment in the school. Parkway West CTC is not responsible for the cost of any medical treatment.

Students who enroll in a career & technology program in their junior or senior year and who meet all of the above criteria may be eligible to go on Co-op in May of their first year.

Adult students may participate part-time in the cooperative education program as soon as they acquire employable skills in their field of study. Applications for Co-op are available from the Coordinator of Cooperative Education.

Field trips
Field trips may be scheduled by teachers with administrative approval to provide meaningful educational experiences for students outside of the school. Students are required to attend all approved field trips unless excused by a parent due to legal absence. Students on suspension are not permitted to participate in field trips. Parkway West CTC will treat family field trips for educational purposes, which have been approved by the home school, as excused absences.
National Technical Honor Society
As a member of the National Technical Honor Society (NTHS), Parkway West CTC is pledged to promote service, leadership, honesty, career development and skilled workmanship; to encourage and assist student educational and career goal setting; to promote a stronger linkage between career-technical education and business and industry; and to promote the image of career-technical education in America.

Students who demonstrate these qualities will be inducted into the NTHS and will be recognized at the Senior Recognition Ceremony. NTHS students also work with school staff to foster closer cooperation and communication among students, faculty, and administration. The NTHS provides a forum for students to express their opinions regarding school issues and an opportunity to develop leadership skills.

SkillsUSA
SkillsUSA is an organization whose purpose is to develop leadership abilities through participation in educational, vocational, civic, recreational, and social activities; to foster a deep respect for the dignity of work; to promote high standards in trade ethics, workmanship, scholarship, and safety; and to create enthusiasm for learning. Students, working closely with advisors, attend competitions at the local, district, state and national levels.

Students participating in SkillsUSA activities, field trips, and competitions are subject to all Parkway West CTC’s rules and policies. Any student violating the rules and policies while attending or participating in any of the above activities shall be subject to discipline. Participation in SkillsUSA is at the discretion of the program instructors and facilitated by staff advisors. This organization provides occupational as well as leadership skills.

Student Council
The mission of the Parkway West CTC’s Student Council is to achieve a more perfect learning environment and improve the quality of education for current and future students at Parkway West CTC.

Students participating in Student Council must be good role models and share the beliefs and values of the school. Spots are limited to two students per program area. Students who are interested in joining should speak to the club advisor.

STUDENT RECOGNITION

Director’s List
In order to recognize students who do exemplary work at the Career & Technology Center, a Director's List of Honor Students is named each grading period. This list is intended to be a motivator for students to strive for excellence in academic and program standards. Students must earn an "A" grade in their Career & Technology program of study, receive their teacher's recommendation, earn at least a “B” grade in their academic subject, if they are enrolled in one,
and have no suspensions or detentions within the nine week grading period in addition to no more than 4 absences per marking period to be placed on the Director's List. Students will receive honors for making the director’s list each grading period in one school year, high honors for making the director’s list each grading period for two years and distinguished honors for making the director’s list each grading period for three or more years.

**Students of the Month/Year**
Each teacher may nominate one student from each session each month for the Student of the Month recognition. The Student of the Month is selected from the nominees by members of the Student Support staff based on attendance, disciplinary record, grades, and evidence of leadership, positive attitude, and work ethic.

The freshman, sophomore, junior, and senior Students of the Year are selected from the field of nominees for Student of the Month for the entire year based on the same criteria.

**STUDENT RESPONSIBILITIES**

**COMPUTER, INTERNET, WIRELESS NETWORK AND LOCAL AREA NETWORK USE POLICY**
Students are expected to act in a responsible, ethical, and legal manner in accordance with district policy, accepted rules of network conduct, and Federal and State Law when using the school's computers, networks, and/or the Internet. Prior to being offered access to Parkway's computers, networks, or the Internet, all students and their parent(s) or guardian(s) must sign a Network/Internet Usage Agreement indicating their acceptance of Parkway’s policies regarding such use.

Upon satisfactory completion of the application process and completion of the Network/Internet Usage Agreement, students will be issued a computer network/internet access account granting them permission to use the school’s computers and networks. Any violation of school policies regarding the use of computers, networks, or the Internet may result in revocation of the computer network/Internet account and/or other disciplinary actions specified in this Handbook. In addition, any computer- or network-related communications that have the significant
potential to, or in fact do, create a material and substantial disruption of the school’s programs, whether initiated at the school, on a student’s home computer, or on any other computer not on school premises, may result in disciplinary or legal action against the student. Specifically, the following uses and attempted uses are prohibited:

1. Use of the network to facilitate illegal activity.
2. Use of the network for commercial or for-profit purpose.
3. Use of the network for non-school related work.
4. Use of the network for product advertisement or political lobbying.
5. Use of the network for hate mail, discriminatory remarks, offensive, defamatory, or inflammatory communication.
6. Unauthorized or illegal installation, distribution, reproduction, or use of copyrighted materials.
7. Use of the network to access obscene or pornographic material, or other material considered harmful to minors as that term is defined by law.
8. Use of text, audio and/or video web content, email, messaging, blogs, and/or discussion or social groups unrelated to class work.
9. Use of inappropriate language or profanity on the network.
10. Use of the network and/or technological means to intentionally obtain or modify files, passwords, and data belonging to other users.
11. Impersonation of another user, anonymity, and/or pseudonyms.
12. Use of the network facilities for fraudulent copying, communications, or modification of materials in violation of copyright laws.

20. Bypassing or disabling antivirus, anti-spam or antimalware software.
CONSEQUENCES FOR UNAUTHORIZED USE

Generally accepted rules regarding behavior and communications apply when any individual accesses the network, in addition to the provisions of this policy.

Inappropriate use of such computers or the network may result in the immediate termination of computer and network privileges and/or other disciplinary actions.

Any network user shall be responsible for damage to equipment, systems, and/or software resulting from their deliberate or willful acts.

Illegal use of the network, intentional deletion or damage to files or data belonging to others, copyright violations, and/or theft of services may be reported to law enforcement agencies for possible investigation and prosecution to the fullest extent of the law.

Vandalism of Parkway computers or equipment may also result in the immediate termination of computer and network privileges. Vandalism is defined as any malicious attempt to harm or destroy Parkway’s computers, data, applications and/or network functionality or the data and/or functionality of another user’s computer. This includes, but is not limited to: the uploading, downloading, or creation of any computer viruses; denial of service attacks; defacing, destroying, sabotaging, deleting, or otherwise modifying online content created by others; or bypassing and/or exploitation of computer and network security systems.

ELECTRONIC DEVICES

Lasers, radios, headphones, MP 3’s, pagers, walkie-talkies, cell phones, external speakers, or any other type of electronic equipment are not to be used in the school building between the hours of 7:40 a.m. and 2:20 p.m. without instructor approval. If a student is in possession of any of the above-mentioned items, they may be confiscated and turned into the office. Items will only be returned to a parent or guardian.

Violation of the electronic devices policy will be considered a Level I Infraction and may result in confiscation of the electronic device.

INTERNET, WIRELESS NETWORK AND LOCAL AREA NETWORK SAFETY

To the extent possible, users of the network will be protected from harassment or unwanted or unsolicited communication. Parkway’s Internet access is actively filtered to block content that is inappropriate or offensive. However, no guarantee can be made that a filtering system will screen all inappropriate content. Students will be held responsible for any access or attempt to access inappropriate material. Any network user who receives offensive, threatening, or unwelcome communications shall immediately bring them to the attention of a teacher or an administrator.

Network users should not reveal personally identifiable information including addresses and/or telephone numbers to other users on the network. At no time will any student be permitted to
divulge personal information about themselves or any other student via Internet web pages, email, blogs, social networking, or any other technology while using Parkway’s computers on network.

Upon request by students or staff, the Executive Director or designee shall expedite a review and may authorize the disabling of Internet blocking/filtering software to enable access to material that is blocked through technology protection measures but is not prohibited by this policy. Upon request by students or staff, building administrators may authorize the temporary disabling of Internet blocking/filtering software to enable access for bona fide research or for other lawful purposes. Written permission from the parent/guardian is required prior to disabling Internet blocking/filtering software for a student’s use. If a request for temporary disabling of Internet blocking/filtering software is denied, the requesting student or staff member may appeal the denial to the Administrative Director or designee for expedited review.

INTERNET, WIRELESS NETWORK, AND LOCAL AREA NETWORK SECURITY
System security is protected through the use of passwords. Failure to adequately protect or update passwords could result in unauthorized access to personal files. To protect the integrity of the system, the following guidelines shall apply:

1. Students shall not reveal their passwords to another individual.
2. Students are not to use a computer logged onto the network by another user. Students may be assigned to use only a particular computer, in which case they should only use that computer unless otherwise authorized.
3. Use of any other student or a teacher’s login is prohibited.
4. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to the network.
5. Student network accounts and computer storage media, whether connected to or not connected to the network, are considered to be public information. Student network accounts and storage media are subject to inspection by teachers, network administrators, and school administrators at any time, for any reason, and without prior notice.
6. Information entered, copied, uploaded or downloaded to the network or computer storage media by students is not private. Logs and journals of all computer activity, network, and disk access may be kept and reviewed by the school. Students who are found to have obtained, placed, or sent inappropriate, vulgar, offensive, or obscene messages, images, sounds, or any other form of information on the network, or on any computer media connected to or not connected to the network, are subject to disciplinary actions.
